

**MANUFACTURING EXCELLENCE THROUGH
PROFESSIONALISM AND INNOVATION**

ABOUT US

TLL Elements Private Limited Pharmaceutical Precision. Botanical Purity. TLL Elements Private Limited is a proud wholly owned subsidiary of Trident Lifeline Limited, one of India's fastest growing pharmaceutical powerhouses. Established in 2024 as the specialized cosmetic arm of the Trident Lifeline Group, we bridge the gap between rigorous medical science and natural skincare innovation.

Our Corporate Heritage

As part of the Trident Lifeline family, we inherit a legacy of international accreditation and pharmaceutical excellence. While our parent company leads the way in high-quality medications across 40+ countries, TLL Elements applies that same "Life-Science" rigor to the world of personal care. When you choose TLL Elements, you aren't just buying a cosmetic product—you are benefiting from a pharmaceutical-grade supply chain and research ecosystem. The "Spec-to Product" advantage leveraging Trident Lifeline's vast expertise in Finished Dosages and Science back Formulations, TLL Elements offers a comprehensive solution across -

Skin & Hair Care: Advanced derma-cosmetics formulated with high-purity actives.

Baby & Oral Care: Hypoallergenic solutions designed with pharmaceutical safety standards.

Men's Grooming: Modern grooming essentials rooted in traditional botanical wisdom.

How We Are Different?

Pharma-Backed R&D: Our formulations are developed with the same precision used for life saving medications.

Global Standards: We operate with internationally accredited processes, ensuring every product meets rigorous global benchmarks.

Natural Technology: We blend 100% organic ingredients with the latest biotech delivery systems for results you can see and trust.
